Designated Lecture Sections (Large Lecture)

0106.3 of the Master Agreement is replaced with the following:

0106.3 Lecture. Designated lecture sections (commonly referred to as Large Lecture) shall be those classes that combine 2 (up to 48 or 60 students, depending on course) or 3 (greater than 48 or 60 students, depending on course) classes into a single lecture class that meets as a group, with lab sections meeting as smaller parts of this group. Designated lecture sections shall be determined by the appropriate Dean during the development of the master class schedule, and load is determined at the time of course selection as follows: designated lecture sections shall be counted as 1.5 times the recitation section load if enrollment is at least 36 or 45 students and does not exceed 48 or 60 students; designated lecture sections shall be counted as 2.0 times the recitation section load if enrollment is greater than 48 or 60 students and less than 200 students.

Gregg Heidebrink Excess Contact Hours – Fall 2023 and Winter 2024

Notwithstanding para 0108.1 of the Master Contract, Gregg Heidebrink (@00015348) will be allowed to exceed 315 contact hours for the Fall 2023 and Winter 2024 semesters. He will be permitted to teach above the limit for a maximum of 40 hours for both the Fall 2023 and Winter 2024 semesters. The annual limit will not be exceeded as the Summer 2024 semester load will be reduced accordingly.

This action constitutes the entire agreement between the parties and shall not be considered precedent setting in any way.

Change in Compensation and Step Level of Erin Hammond

Effective from the first day of the Fall 2023 semester, Erin Hammond's compensation shall be changed to a rate of \$48.07 an hour. This rate shall be classified as step 200 and supersedes the compensation and step levels as listed in Appendix C-1 Compensation for Classified Faculty.

Changes to the compensation and step level is only for the current incumbent in recognition of the complex and unique nature of the Clinical Instructor (Radiography) position. Future rate percentage increases as listed in the current collective bargaining agreement shall apply; however, this rate and step level shall not apply to any other Classified Faculty position covered under the collective bargaining agreement. In the event that the incumbent vacates the position, this pay rate and step level will be eliminated.

This action constitutes the entire agreement between the parties and shall not be considered precedent setting in any way.
