TIME	LOCATION	TOPIC/PRESENTER(S)
8:00am – 8:50am	ML 101-121	Welcome / Opening (Carl Weckerle, Dean of Academic Services and Support) Light Breakfast served for Faculty attending the Canvas sessions.
9:00am – 9:50am Teaching	ML 101-121	Smooth Semester Kick-off in Canvas (Nancy Collison, Director of Online Technologies; & Amy Artilles, Learning Solutions Engineer) This session will walk through initial semester startup and bring awareness to the notifications, settings, and menu choices so that faculty understand the overall start and wrap up processes and can make any preferred adjustments accordingly. Blueprints, templates, sections, settings, navigation menu/LTI's, grades to Banner, instructor workflow, early course opening, things we learned from the Pilot group and more. All Faculty, special content for DL/Blended included.
9:00am – 9:50pm Workplace Effect. (FAC & OPTs)	LA 233	Suicide Gatekeeper Training QPR (Jim Bauer & Karolyn Lehn, LP Counselor/Non-Clin Case Mgrs) QPR is an evidence-based gatekeeper training. It is designed for anyone in the community to use, to recognize the warning signs that someone might be thinking about suicide, and have a conversation with the person at risk and get them to someone who can help them further, like a mental health professional. As many of you know, there are sometimes conversations with someone and you have a "gut feeling" that they're struggling more than they're saying. It's hard to know what to say, and whether or not you should ask them directly about suicide. QPR is specifically about these types of conversations. It will give you the skills to feel more confident in those conversations. What you will learn: <ul style="list-style-type: none">• How to recognize early warning signs that someone may be thinking about suicide.• Words and phrases to say to offer support and hope.• How to connect them to someone who can assess their safety and make a plan to keep them safe.
9:00am – 9:50am Workplace Effect. (FAC & OPTs)	LA 211	Multi-Factor Authentication Using Microsoft (Linda Blakey, Provost & Chief Operating Officer) Do you have questions about the new multi-factor authentication (MFA) process? 10:00am – 10:50am Workplace Effect. (FAC & OPTs)	LA 211	How to Partner with Student Development and Activities (Lisa Wheeler, Director of Student Development & Activities) Student Development and Activities (SDA) at WCC plays a crucial role in fostering collaboration between faculty, staff, and students. By partnering on initiatives such as event tables that promote classes, faculty, and staff can directly engage with students, enhancing awareness of academic offerings. Co-curricular mini-grants encourage innovative projects that align academic goals with student interests, while fun events like WCC sports tournaments—where students compete against staff—build community spirit and camaraderie. Faculty and staff can also enrich student experiences by serving as advisors for student clubs, and guiding members in leadership and teamwork. Additionally, SDA's check-out system allows any faculty or staff member to access supplies for short-term events, ensuring that both student and staff-led initiatives are well-supported. These collaborative efforts not only strengthen the WCC community but also create meaningful opportunities for student engagement and development. Removing obstacles for your academic success

**There are many ways
that we can help you!**

We can offer a case management approach to helping you succeed. Our staff will work with you one-on-one in reviewing your goals, planning your program and accessing resources to help you achieve your goals.

We can help with:

- Scholarship funding for off campus child care
- Grants offered through the Carl Perkins Act for students in occupational programs
- Support connections with the community and other college resources
- Assistance navigating the WCC system
- Awareness campaigns/workshops
- Navigating food insecurity

What is the Teaching & Learning Center?

The Teaching & Learning Center is dedicated to the professional development of faculty & staff within the WCC community. It is housed within the Part-Time Faculty Commons, and is managed by the Instructional Operations Manager, Theresa Hunt; and Administrative Support Specialists, Debra Shillington, Victoria Wright & Pamela Gonzales. Together, the TLC staff and advisory team works to keep the college current with the ever-changing world of academia, manages WCC's PD software KALPA, hosts a twice-yearly In-Service, and more. With the support of each of our embedded organizations, our goal is to foster a culture of educational innovation to enhance student learning and success.

Mission Statement

Our college strives to make a positive difference in people's lives through accessible and excellent educational programs and services.
